## Why should you leave your car at home and come to the Pentland Hills by bus?

- Car park spaces are limited.
- It's environmentally friendly.
- You don't need to worry about the security of your vehicle.
- With a little planning you can get a bus to one side of the hills and return from the other.
- What better way to end your walk than by having a meal or refreshment at one of the restaurants, pubs or cafes on the periphery of the Park.
